

THE EMPIRE NATION

A Brief History of

-10-

A LONG LONG LONG TIME AGO..... IN THE DEEP DARK LAWLESS REACHES OF NEW EDEN, A LONE PILOT DREAMT OF UNIVERSAL PEACE...

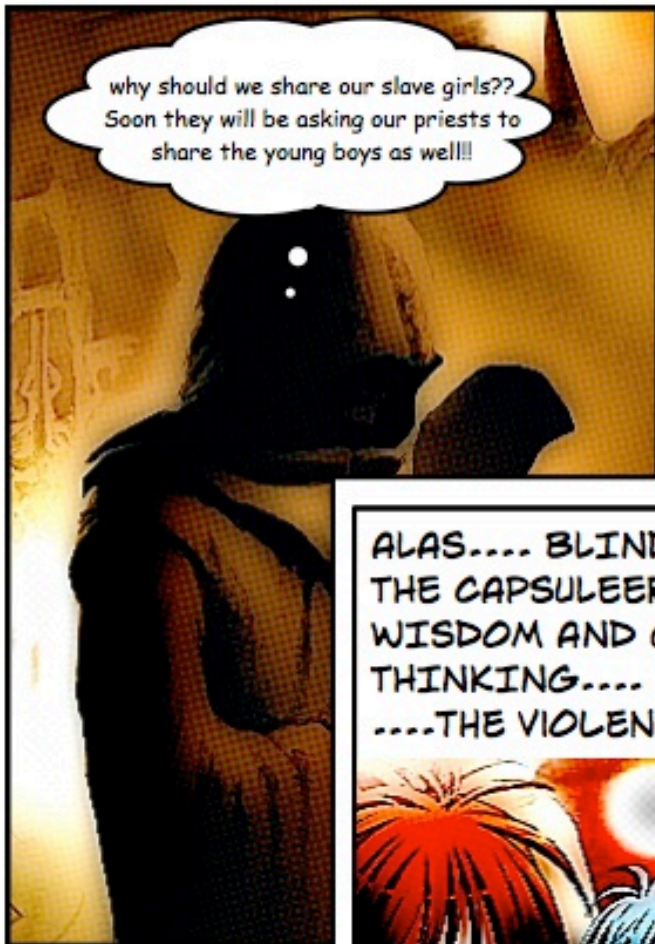

...BUT NEW EDEN'S CAPSULEERS ARE A FICKLE LOT, DRIVEN BY THEIR TEENAGE LIBIDOS, THEY ENGAGE IN BLOODY BATTLES TO SEEK ENORMOUS POWER AND ISK.... IT IS THE ONLY WAY TO REACH THE FEW WOMEN REMAINING IN THIS UNIVERSE

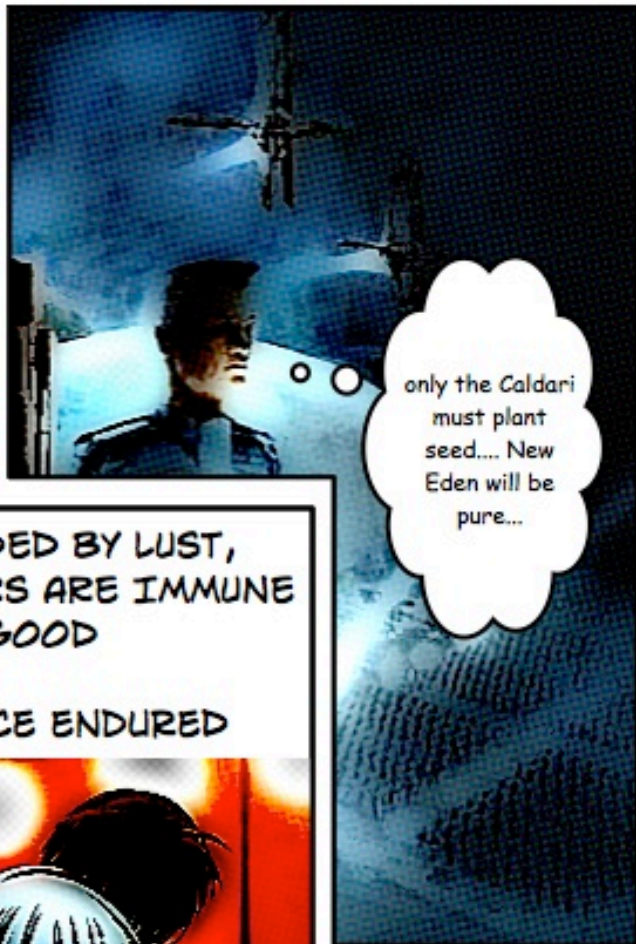

Friends, Romans, Amarr, Caldari, Gallente and Minmatar.....and ... umm.. CCP Devs.....I have a dream, A dream that all races of EVE can live together in piss and share the same women....

LUCKILY, OUR FEARLESS LEADER IS BRAVE, RESILIENT, AND SOMEWHAT INTELLIGENT..., HE TRIED TO EDUCATE THE SEX CRAZED RABBLE

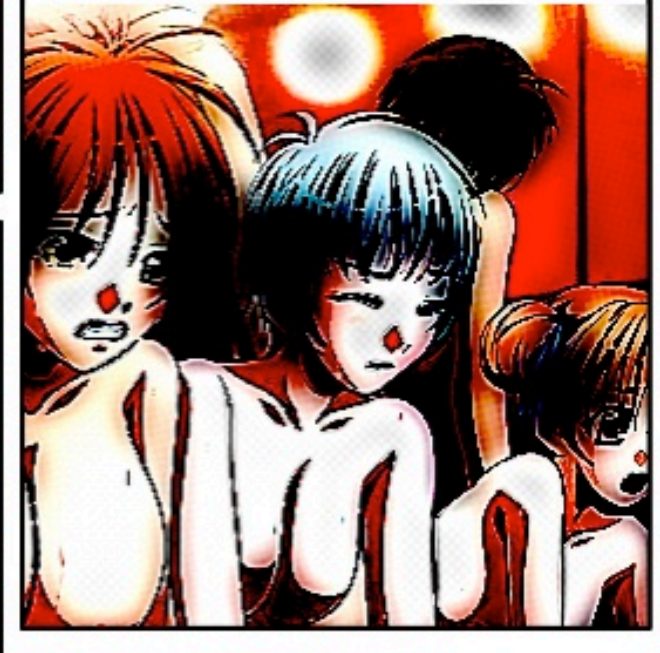

why should we share our slave girls??
Soon they will be asking our priests to
share the young boys as well!!!

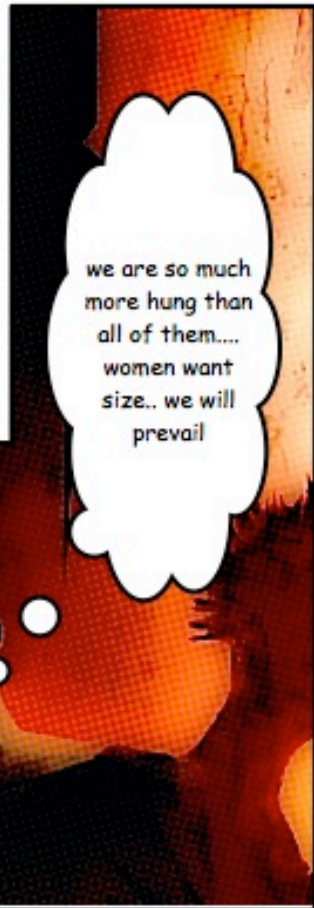

only the Caldari
must plant
seed.... New
Eden will be
pure...

ALAS.... BLINDED BY LUST,
THE CAPSULEERS ARE IMMUNE
WISDOM AND GOOD
THINKING....
....THE VIOLENCE ENDURED

ze women want us... in any case we can
always bugger each other if things go
pear shaped

we are so much
more hung than
all of them....
women want
size.. we will
prevail

AND THUS THE DIE WAS IRREVOCABLY CAST, AND OUR GREAT LEADER SET FORTH TO ACHIEVE HIS GOALS BY HIMSELF

IGNORANT FOOLS!!

I WILL FIGHT FIRE WITH FIRE.
LET THERE BE A CORP THAT HAS THE SOLE PURPOSE
OF CONTROLLING THE SUPPLY OF WOMEN.

I'LL SHALL BE KNOWN IN MY OWN IMAGE, A REFLECTION OF MY SIZE.

ALL OF NEW EDEN WILL REFER TO MY CORP AS

-2.5-

no....
wait....

they will refer to it as

-10-

and I will staff this corp with
dashing young men who will suck on
the blood of New Eden's women... like dracula....

THE VEMPIRE NATION
